

How to Request e-Statements through Internet Banking

Step 1: Access United State Bank's website at www.usb1.com and log on to Internet Banking.

Step 2: Click on **User Services** and then click on **E-Statements Only** under **Manage Account**.

Step 3: Select account you wish to receive E-Statements from drop-down menu and click on **Go**. Then, click on **Electronic Only Statement Delivery** under **Electronic Statement Delivery**.

Electronic Statement Delivery

Would you like to receive your account statement in an electronic format only? You may elect to receive an electronic copy of your account statements through our secure website, and we will no longer mail account statements to your address of record. [Click here](#) for more information about electronic only statement delivery.

Electronic Only Statement Delivery

Step 4: Read and accept Electronic Statement Disclosure.

Hardware and Software Requirements

You don't need any special hardware or software to access E-Statements. If you can access the Online Banking Service, you should be able to access your E-Statements. However, prior to enrolling for E-Statements, you should verify that you have the following required hardware and software

- Internet Access.
- A computer and Internet browser that can support 128-bit encryption.
- Note: For security purposes, you should use the most current version of either: Microsoft Internet Explorer, Netscape Navigator/Communicator, or AOL's browser. The most current browser versions are typically more secure and will support 128-bit encryption. Browser upgrades are accessible on the Internet banking login page.
- Access to a printer or storage medium such as a hard drive so that you can download and/ or print disclosures and/or statements for your records.
- An external email address.

If you're lacking any of these requirements, please contact us and we'll help get you set up.

We may revise hardware and software requirements, and if there is a material chance that the changes may impact your ability to access E-Statements, we will notify you of these changes in advance and provide you an opportunity to change your method of receiving disclosures (e.g. change to paper format vs. an electronic format) without the imposition of any fees.

- **Email Address Changes**

In order to provide E-Statements, we must maintain current customer email addresses at all times. It is your sole responsibility to provide us with your correct contact information, including your email address.

You should notify us of any changes to your personal contact information or you can update your personal information through "User Services" in the Online Banking Service.

- **Proceed with Acceptance of E-Statements**

With your acceptance below, you agree to accept periodic deposit account statements in an electronic format. You also agree that you have the necessary equipment for accessing and viewing E-Statements and you agree to notify us if you change your email address or if you no longer want to receive statements electronically.

If you decide not to enroll for E-Statements, select the "cancel" button below. You can still enroll at later time within the Online Banking Service.

Electronic Statement Delivery Request

You have submitted a request to receive all available United State Bank statements for account *0001 electronically. By clicking "Submit" below, you acknowledge that you have read and understood our Electronic Disclosure Policy, and that you have access to a computer that meets the technical requirements set forth in this policy.

You may submit this request for this account only or for all accounts where statements are available for electronic viewing on our website. By submitting this request, United State Bank may discontinue the delivery of paper statements to those accounts.

So that we may alert you when your statement is available for viewing online, please verify we have your current email address and update your email address on our system as needed.
